## ABOUT US

The Classern String Quartet combines the Classic elegance of a string quartet with a modern twist by performing pop and rock melodies from yesterday and today. The Classern Quartet is perfect for anyone looking for something different at their event; modern, but yet Classic at the same time. We specialize in rock and pop, but of course we know all the Classics. The Classern Quartet is perfect for weddings but we play at all major events including corporate functions, birthdays, and anniversaries. Each member of the Quartet is a college educated, Classically trained musician that have performed in major symphonies and events throughout Florida. If you are looking for a unique alternative string quartet we would love to perform at your special event and make it unforgettable.

We are happy to take requests from outside of this library. Please contact us and we can put together an arrangement for anything you want.
